

## **SORT December 2009 Newsletter**

<http://www.sortclearinghouse.info>.

Welcome to the twelfth SORT CLEARINGHOUSE newsletter. This newsletter summarises new additions to the Social Research in Transport (SORT) clearinghouse research database. This newsletter is published bimonthly.

### **OUR NEW WEBSITE**

We would welcome any feedback on our new site that you might have. Please take a moment to look over the site and let us know what you think of it and/or if you have any problems accessing the new site by clicking on the following link: [enquiries@sortclearinghouse.info](mailto:enquiries@sortclearinghouse.info)

### **NEW FEATURES:**

- A clearer web page design layout
- More functions for easier browsing and searching or research
- Frequently Asked Questions help assistance
- New email and RSS feed functionality: this enables users to receive automatic updates of new research entries
- Access to previous newsletters
- A running tally of the top 10 most popular research entries
- Paper of the day link to remind users of the range of research entries
- A link showing the most recent additions
- An easier system to submit research for inclusion in the clearinghouse
- A running tally of research entry access
- Improved system performance and reduced down time.
- Authors should note that the new website will have greater links to web search systems increasing its hit rate.

### **NEW ADDITIONS**

SORT clearinghouse now includes some 472 research reports/papers. Since the last newsletter, 28 items have been added, some of which are listed in the attached table.

### **CONTRIBUTE YOUR RESEARCH AND INCREASE YOUR CITATIONS**

Should you have any relevant papers that you think should be included in this repository, please log on to [www.sortclearinghouse.info](http://www.sortclearinghouse.info) and click on the My Account icon. SORT Clearinghouse is a very effective tool to increase author citations of research since it acts to publicise your research to those interested in this field. All entries are free of charge.
